Anhui Moker New Material Technology Co., Ltd. is an enterprise whose all staffs are engrossed with professional production of chemical product, the selling of pharmaceutical intermediate and the other chemical products. Also we have the self-support import and export entitlements. Our main products include the pharmaceutical intermediate, food additives, pigment, medical grade, industrial grade, food grade and household chemicals and so on. Our products have been exported to more than 30 countries in the world. At the same time, we have a professional scientific team and advanced devices, and we strive for sticking to opaque principle. What we want to do is to devote ourselves in providing the customer with an effective and qualified service. We have been sticking to the rule of quality first, service paramount and we are establishing reciprocal business relationship with customers all over the world
